February 16, **ARIZONA ATTORNEY GENERAL**

Vernon P. Pierce, D.C.,  
Secretary-Treasurer  
Arizona State Board of Chiropractic Examiners  
703 Sullivan Street  
P. O. Box 1751  
Miami, Arizona

Dear Doctor Pierce:

Your letter of January 28, 1961 requests our opinion as to whether or not the Arizona State Board of Chiropractic Examiners can adopt and enforce a set of rules and regulations.

A.R.S. §32-904, entitled, Powers and Duties, recites:

"B. The Board shall adopt a seal which shall be affixed to licenses issued by it, and shall adopt rules and regulations for the performance of its duties. A copy of the rules and regulations shall be filed with the secretary of state upon adoption."

The above statute gives your Board the authority to make such rules and regulations as may be necessary for the performance of its duties, the regulation of the chiropractic practice and not inconsistent with that law itself.

It is suggested that your Board prepare your own set of rules and regulations and upon their completion we will be glad to go over them with you as to context and propriety and then advise you as to the procedure to be followed in filing them with the Secretary of State upon their adoption.

Very truly yours,

ROBERT W. PICKRELL  
The Attorney General

JOHN J. CASEY  
Assistant Attorney General
